Dear Susan:

I am most appreciative of the time you spent with us recently discussing Closed Captioning. Your focus, candor and comments were very helpful to me. This is an important issue for Game Show Network and, most likely, to numerous other emerging cable/satellite programming services.

As discussed, I am interested in spending more time with you and Commissioner Kennard, exploring this topic and reviewing options.

Again, I extend an open-ended invitation to visit us, should you find yourself in Los Angeles. It would be my pleasure to show you our operations.

Sincerely,
